PROFESSIONAL SUMMARY

Highly motivated and detail-oriented Computer Applications graduate with a strong foundation in web technologies, and networking concepts. Passionate about leveraging programming skills to solve complex problems and contribute to innovative technical projects. Seeking an entry-level position to apply academic knowledge in a real-world environment.

TECHNICAL SKILLS

- **Office Automation:** MS Excel (Data Entry, Formulas, Sorting & Filtering), MS Word (Documentation & Formatting), MS PowerPoint (Presentations)
- **Programming Languages:** Python, C,
- **Web Development:** HTML5, CSS3, JavaScript, Responsive Design
- **Database Management:** SQL (MySQL, PostgreSQL)
- **Networking:** TCP/IP, DNS, Subnetting, Basic Router/Switch Configuration
- **Tools & OS:** Windows, MS Office Suite, Git, VS Code, Windows Server Administration

EDUCATION

Bachelor of Computer Applications (BCA) | Cluster University, Srinagar | 2025

Relevant Coursework: Data Structures, Artificial Intelligence, Software Engineering, Network Security.

ACADEMIC PROJECTS

Student Management System

- Developed a responsive web application using HTML5 and CSS3 for the frontend, with a dynamic PHP backend.
- Designed and optimized a MySQL (SQL) relational database to securely store, retrieve, and update student records, attendance, and academic grades.
- Implemented secure user authentication and role-based access control for administrators, teachers, and students to ensure data privacy.
- Streamlined administrative workflows by creating modules for automated report generation and real-time student data tracking.

CERTIFICATIONS & ACHIEVEMENTS

Computer Diploma (1 year) – Mahavir Group of Institutions
